ASSOCIATION INCORPORATED • DECEMBER 2024

FOCUS ON NSW 3

From the President

It's been a great year, and I want to thank all the members and clubs who contributed positively to the sport we all love. We have an amazing community of competitors, administrators, volunteers and officials who keep our sport alive, and I look forward to seeing us all work together for another year.

It is an honour to have our very own Pattie Dench inducted into the NSW Hall of Champions. Pattie was the first Australian Olympic Medalist in shooting when she won Bronze in at the 1984 Los Angeles Olympics. Pattie has been a huge inspiration to women of all ages in achieving their goals on the range for decades and to have her immortalized in the Hall of Champions will ensure her inspiration and influence continues for decades to come. A huge thank you to Brian Cheers for making the nomination.

All State Championships have now been shot for 2024. Congratulations to all the clubs who hosted this year including Genesys, Dubbo, Narrabri, Gulgong and Tamworth. We have received nominations for hosting these important competitions in 2025 and the successful nominees will be notified shortly.

A big congratulations to Ben Paulino for taking out the Phillip Adams Shield this year at SISC. Ben is a fantastic ambassador for all NSW juniors and it's always fantastic to see him training so hard and achieving so much on the range.

During the year the Executive Committee have adopted some official policies to ensure decisions are made consistently and transparently. Specifically, a travel

reimbursement policy which sets out in detail the circumstances and limits of what can be claimed when travelling for official NSWAPA purposes. The policy locks in what was generally accepted for the last decade or so with no major changes to how we operated. A disciplinary policy was also adopted which sets out the specifics of how the Executive works through the process of disciplining a member or club. It's a process that we hopefully won't need in the future. We are a wonderful and diverse community and it's important that we show each other respect and tolerance. All policies have been published on the NSWAPA website.

I've also written an important piece on a specific section of NSW legislation which has been brought to my attention. Please have a read of it further on within the Focus. If at any time you or your club have unreasonable interactions with government or private agencies, remember the NSWAPA might be able to assist. Get in touch with me or the office if you need some assistance relating to firearms regulations and procedures.

Please have a safe and happy Christmas break and I look forward to seeing you all on the range in 2025.

Lee Scott
NSWAPA President

From the Office

Pattie Dench Inducted into the Hall of Champions 2024

Pattie Dench was inducted into the NSW Hall of Champions on Monday the 25th of November 2024. Yes, this is a bit late coming, mainly attributed to her Bronze medal performance in Ladies Match/Sports Pistol/25M Pistol at the 1984 Los Angeles Olympic Games. Pattie was nominated by the NSWAPA and it was great to see this being successful in the twilight of her life.

Pattie was very unlucky not to win the Gold Medal. She always did a lot of mental preparation before a match but as fate would intervene, Pattie was given the wrong time for her match and when she walked onto the range they called "shooters to the line" and had to hurry to make the first series.

Pattie lost 11 points in her first 15 shots but once she settled in lost only 4 points in her second and then Duelled a 298/300, which included two series of 100 points, equaling 20 year old Liu Haiying from China and missing the gold medal shoot-off between Canada's Linda Thorn and USA's Ruby fox by only 2 points. Pattie then had a shoot-off for the bronze and successfully beat Haiying to win third place.

A few weeks after coming back to Australia, Pattie shot at Shellharbour, shooting a score 16 points higher than the winning Olympic score, achieving an amazing score of 591 / 600.

Other Hall of fame Inductees unable to contain their laughter listening to Pattie during her interview

There were 5 people inducted into the Hall of Champions this year and they were all interviewed while they were seated on the stage by Mark Beretta from channel 7.

When Pattie was interviewed, she had the whole crowd in the palm of her hand and everyone just cracked up with laughter. I spoke to Stephen Fox, the father of the 2 fox sisters who won 3 gold medals in whitewater canoe, who has been doing work with Target Pistol Australia for pathways to the 2032 Brisbane Olympics and his first words were "wasn't Pattie amazing". When I told him that she was 92 years old, he exclaimed "your joking". I spoke to Stewart Hodge the CEO of Sport NSW he just said "how great Pattie was" and exclaimed that "Pattie was the highlight of the whole night", and "what a great Nomination".

Pattie Dench gave us the greatest PR coo that money could buy with the NSW Sports Minister and all the other sports, as well as there most famous and greatest sportspersons.

Audio/Video from the Hall of Champions event from Sport NSW will be put on our website in the very near future.

Pattie, truly a National Treasure.

Brian Cheers
NSWAPA Sports
Administrator

From the Editor

Another amazing year of shooting has past, with another huge year of shooting events and training opportunities lining up for 2025.

I would just like to remind clubs, yet again, to submit articles after you hold an event so that shooters that are new to the sport, and competitors that have not been to your club as yet, can see why they should make that effort to go to your events in future.

There are many training opportunities coming up for those that would like to progress in the sport, or even just start competing. We have the NSW junior camp coming up in January at Sydney pistol club. We have back to the future training and evaluation in February for people looking to increase their scores and are serious about competing, and we also have Girls on Target, an amazing social training event for women of all skills and all levels at the beginning of February. Details of all the above can be found in this edition.

I would like to take time to thank all the people that volunteered their time for the sport to keep it as amazing as it is. Without your time being given freely to run ranges, organising events, coaching, taxi-ing kids, running gun checks, cooking food, creating raffles, fixing range malfunctions, scoring, patching... I really could keep going on and on, you know who you are... Thank you for making our sport possible and for creating the path for the future.

Merry Christmas and a happy new year to each and every one of you!

Dannielle Donohue
Editor & Social Media Officer

'BACK TO THE FUTURE' 2025 ISSF COACHING HUB

Evaluation 1 - 2 February 2025 Sydney Pistol Club

Revision 29 - 30 March 2025 *Venue to be confirmed*

***Training Programs, ongoing online and Competition
Supervision***

***THERE WILL BE A POST ISSF NATIONALS
EVALUATION/REVISION LATE JUNE 2025***

Season Final and future planning will be after the NSWAPA
State ISSF Championships

This will be an Holistic Pistol Sport Development Program,
dependent on Athlete ability and commitment. Limited
participation. Open to Juniors and Adults. This is not a
subsidised program so there will be moderate out of pocket
expenses required.

EXPRESSION OF INTEREST TO jiryan@bigpond.com

**PROGRAM COACHES: DANNIELLE DONOHUE, DANIEL SPAIN
& JAN RYAN**

From the PA/ISSF State Team Manager

This weekend sees the end of the selection period for next years Nationals. Over the next few weeks, I will be making my recommendations to submit to NSW Board for approval.

It has been a different year with the introduction of nomination of your shoots for selection, and except for a few hiccups, overall went well. Thank you to those members who offered constructive suggestions.

The new selection period starts on the 1 st December.

The PA Nationals in Perth is very quickly approaching, with the entry forms now available. For athletes who are considering going over to Perth, I will be doing a group permit application. By doing a group one there won't be any cost to you. If you are going you will have to consider what firearms you will be taking and ammunition. I will be sending out information soon. I would suggest that you start considering what you wish to take. *Entries close on the 14th January 2025.* Please read the conditions of entry carefully.

I will be driving over so if you need ammo etc taken we will be able to take it with us.

ISSF Nationals next year will be at SISC in May, I will update you closer as it gets nearer.

On the weekend of 11 th /12 th January 2025 there will be a Squad camp for all squad members, PA and ISSF. I hope that you will be able to make it. I will be sending out more information and agenda shortly.

I would like to thank Team members for their support and friendship you have offered over the year and look forward to the new year to catching up with you again.

I would like to wish you all a very Merry Christmas and a Happy and safe New Year.

Cherie May
PA/ISSF STATE TEAM
MANAGER

From the NSW Coaching Director

We conducted a Coach Level 1 Course at SISC on 16th and 17th November 2024, with participants from Wyong, Bowral, St Ives, Ulladulla and Central Coast. I am hoping to make this an annual course, send the NSWAPA an email if you are interested.

Behind the scenes we are busy organising a Squad Camp at SISC, Junior Camp at Sydney PC, Grass Roots at Wagga, Club Instructor at Newcastle PC, + More.

Sports Integrity Australia (SIA) Courses

This is a reminder that the Pistol Australia (PA) SIA requirement is mandatory, it will affect –

- Competitors, Event Staff & Volunteers eligibility to attend PA sanctioned events (including State Titles and Nationals).
- Club Committee Members, Coaches and Club Instructors accreditation,
- Range Officers, Judges, Holster Examiners & Assessors accreditation.

Individual members are responsible for ensuring the required SIA courses are completed by the revised due date of 31st December 2024, and sending a copy of the certificate to the appropriate person. If you have a PA qualification and have not completed the required courses and there is a problem, there are potential liability complications.

How do members or clubs request Coaching or Training sessions

- Coaching and Training – seek assistance from the coaches in your club, contact your club secretary if you don't know who they are.
- For Clubs and Members interested in the 'Grass Roots', 'Club Instructor' courses, or Level 1 coach accreditation, register your interest with the NSWAPA office at "admin@nswapa.org.au".

Trust you all have a happy and safe Christmas break and continue training for the 2025 competition season,

Jeffrey Langlands
NSWAPA Coaching Director

statecoachingdirector@nswapa.org.au

From the Ass. State Coaching Director & Junior Coaching Director

LEVEL ONE COACHING COURSE

On the weekend just passed, 16th and 17th November, the NSWAPA held a Level One Coaching Course at SISC.

Our State Coaching Director, Jeffrey Langlands, the Association Secretary & Man of Knowledge, John Roache and myself, Allison Doyle (Ass. State Coaching Director & Junior Coaching Director), were the trainers for the course.

Firstly, I have to say how efficiently Jeffrey organized and ran the course. His skills in time management are something to be admired. The whole course ran like a well-oiled clock. In simple terms that all participants were able to grasp without any problems. This included both the theory and practical halves.

We had 7 participants wanting to obtain their Level 1 Coaching accreditations. It was so encouraging to see their enthusiasm in wishing to learn the practices of today's shooting world and be able to pass on this vital information to new shooters at their Clubs right from the very start of their journeys.

The more we can spread the word of the "Best Practise" through our Coaches, the more competitive Australia will become. It is so much easier to learn how to do things the right way from the beginning other than having to change a bad habit later on.

Congratulations to all participants, you now just have to wait to hear from Target Pistol Australia for your results.

Big congratulations to Jeffrey for a great job running the course.

KEEP YOUR EYE OUT FOR THE NEXT COURSE & JOIN US!!

Allison Doyle
Assistant Coaching Director
& Junior Coaching Director

NEW SOUTH WALES AMATEUR PISTOL ASSOCIATION INC
JUNIOR CAMP 2025 – SYDNEY PISTOL CLUB, LA PEROUSE

ARRIVE: Saturday 18th January 2025 (after lunch)

DEPART: Saturday 25th January 2025 (before 10am) IF ALL CLEANING IS DONE!

LOCATION: Sydney Pistol Club
Cape Banks Road
La Perouse.

INFORMATION: Junior camp is open to all juniors at all levels of shooting. Juniors are divided into groups according to their ability and consistency and coached accordingly. **New shooters are encouraged**, as learning proper shooting methods early will fast track a junior to the elite ranks.

Code of Conduct for NSW APA JUNIOR SHOOTERS

NSW APA is fully committed to safeguarding and promoting the wellbeing of all its members. The club believes that it is important that members, coaches, administrators and parents associated with the club should, always, show respect and understanding for the safety and welfare of others

Sports clubs for young people should offer a positive experience where they can learn new things in a safe and positive environment.

As a member of NSW APA, you are expected to abide by the following junior code of practice:

CHILDREN/YOUNG PEOPLE ARE EXPECTED TO:

- Be loyal and give their friends a second chance.
- Be friendly and particularly welcoming to new members.
- Be supportive and committed to other team members, offer comfort when required.
- Not get involved in inappropriate peer pressure and push others into something they do not want to do.
- Keep within the defined boundary of the specified allowed area.
- Behave and listen to all instructions from the coach. Play within the rules and respect the official and their decisions.
- Take care of equipment owned by the club.
- All members must respect the rights, dignity and worth of all participants regardless of age, gender, ability, race, cultural background or religious beliefs or sexual identity.
- Refrain from the use of bad language or racial/sectarian references. This includes bullying using new technologies like chat-rooms or texting.
- Refrain from bullying or persistent use of rough and dangerous play.
- Members should keep to agreed timings for training and competitions or inform their coach or team manager if they are going to be late.
- Members must wear suitable clothing – for training and match sessions, as agreed with the coach/team manager, as well as respectful clothing when attending camps and the like.
- Members must pay any fees for training or events promptly.
- Junior members are not allowed to smoke on club premises or whilst representing the club at competitions.
- Junior members are not allowed to consume alcohol or drugs of any kind on the club premises or whilst representing the club.
- Show respect to other youth members/leaders and show team spirit.
- Keep themselves safe.
- Report inappropriate behaviour or risky situations for youth members.
- Play fairly and be trustworthy.
- Respect officials and accept decisions.
- Appropriate clothing will be always worn, in line with shooting guidelines and modesty rules
- Genders will be separated for sleeping as per Sport Integrity rulings
- Show appropriate loyalty and be gracious in defeat.

- Challenge or report the bullying of your peers.
- Respect opponents.
- Not cheat or be violent/aggressive.
- Not use violence.
- Make your club a **fun** place to be.

Any misdemeanors and general misbehaviour will be addressed by the immediate coach and reported verbally to the designated person. Persistent misbehaviour will result in dismissal from the club/sport. Parents will be informed at all stages.

Dismissals can be appealed by the coach/volunteer with final decisions taken by the club committee or referred to the governing body depending on the disciplinary procedures within the sport.

From the NSW Referee Director

SPORT INTEGRITY TRAINING

The Sport Integrity Training project commenced roll out in NSW in April 2024.

This Training is legislated by the Australian Federal Government and applies to all sports – not just Pistol Shooting.

Under the Sport Integrity guidelines adopted by Target Pistol Australia, any Official who has not completed the Sport Integrity training by 31st December 2024 cannot Officiate in any capacity.

Since introduction of the Sport Integrity program, I have emailed details and instructions to every Range Officer and Holster Examiner or Assessor for whom I held or have obtained email addresses and whilst there has been a reasonable response, there remains a high percentage of those Officials who do not appear to have completed their training or have overlooked forwarding copies of their certificates to me for recording.

I ask that those Range Officers and Holster Examiners or Assessors who have completed the Integrity Training and have obtained a Working With Children Clearance, but have not forwarded details to me for recording, do so as soon as possible.

For those that have not undertaken the training, I urge you to consider doing so as soon as possible so that your accreditation does not lapse.

20 December 2024

LEVEL TWO RANGE OFFICER RENEWALS

All Level Two Range Officer Accreditations are renewed every four years.

With ISSF, Service/WA1500 and Black Powder, there is a relatively easy revision paper available through the Target Pistol Australia Training Portal. If completing training via the internet is not possible, the revision can be completed in paper form.

There is presently no revision paper for Action Pistol and Metallic Silhouette Range Officers.

In early 2023, my predecessor emailed all Level Two Range Officers with details of how to renew their Accreditation expiring on 31st December 2023.

Unfortunately, there remains a high number of Level Two Range Officers who have not requested renewal (Action and Silhouette) or undertaken the revision paper and requested renewal (ISSF, Service/WA1500 and Black Powder).

Many of those Range Officers who have not requested renewal have also not undertaken the Integrity Training.

It is highly likely that in early 2025, those Range Officers who have not undertaken the training appropriate to their discipline and requested renewal will have their accreditation cancelled and archived.

NEW SERVICE PISTOL AND BLACK POWDER RULES

New rule books for these two disciplines have just been released and published on the Target Pistol Australia website.

The new rules come into effect on 1st January 2025.

The Black Powder Rules see changes simplifying tie breaks (no more shoot offs) and corrects or clarifies a few minor issues from previous versions of the rules.

The new Service Pistol Rules have been broken down into 4 sections with section one being General Rules and Regulations applying to all Service Pistol Matches and sections 2, 3 and 4 being match specific, making those rules easier to follow and easier for new shooters to learn the rules of the various Service Pistol Matches.

On behalf of the NSW Referee Council, I wish you all a Merry Christmas and a Happy, Healthy and Prosperous New Year.

Wayne Unicomb
NSWAPA Referee Director

Girls On Target Information & Training (ISSF disciplines)

8th and 9th February 2025
Campbelltown Liverpool District Pistol Club

Are you an amazing woman that wants to improve her shooting skills and socialise at the same time?

Or would you just love to have a wicked time with some other amazing women?

Then Girls On Target is for YOU.

GOT first started in February 2022 at Ulladulla Pistol club. Since then, we have also been hosted by the Sydney International Shooting Centre (SISC) Dubbo (DPC) and every year at Campbelltown (CLDPC) Cessnock (CPC). We thank these clubs and their members for the support they have given us.

We also wish to thank Alamdar and Jessica Dastani of **AJ Freight Hub** for their generous sponsorship.

GOT is a great group, dedicated to giving women an opportunity to learn about our amazing sport of pistol shooting, and learn in a fun, safe and friendly environment with like-minded people.
It offers...

- upskilling on your basic skills.
- coaching advice for different levels
- Meeting other women who enjoy our sport
- Advice on fitness and gun care.

Our coaches are NCC accredited and approved by Pistol Australia and the NSWAPA.

FAQ.

Is this for people like me ?

I don't want to compete, but I would like to get more on the target.

YES, GOT can help.

I was going well, I but now my scores are going backward.

YES, GOT can help.

We don't shoot proper matches at our club, but I'd like to learn.

YES, GOT can help.

I love shooting and learning about my sport and I'm improving but I don't have a coach.

YES, GOT can help.

I have a very old gun and would love to upgrade, but not sure what to buy.

YES, GOT can help.

And most importantly we offer a safe, open and fun learning environment. The best part is we cater for everyone! No matter what skill level you are, beginner to experienced, ages 12 to 112. We welcome you to come and learn or just have fun while making new friends.

Get a group together and come to CLDPC 8/9 Feb 2025 and join the fun. Don't have a group ? then join ours :)

Come for one day or both. A hearty lunch, morning and afternoon tea is provided as part of the package. (\$30 per day)

There will also be lucky door prizes.

Training and information handouts.

Lots of laughter.

GOT apparel will also be available to order from \$25.

Entry forms will be available via the NSWAPA Calender for 2025
<https://nswapa.org.au/calendar.html>

Need to know more? send a query to got22it@gmail.com. Id love to hear from you.

Shoot safe and have fun.

Una Rossetto – GOT founder and chief bottle washer.

Single Action News

The second half of 2024 has been very busy with lots of Single Action being shot at many clubs in NSW as well as many NSW shooters travelling interstate to attend large matches.

Gold Coast – The SASS Regional Shoot was held at the Gold Coast Pistol Club in July and attracted 108 shooters with 13 NSW competitors heading north to the winter sunshine for this popular competition.

Early October saw the Australasian International SASS Championship competition 'Chisholm Trail' held at the SSAA complex at Captains Mountain near Millmerran in QLD, with 80 shooters attending including 16 from NSW.

The 2024 National Championships were held in early November at the SSAA Mildura Complex near the beautiful river town of Mildura on the VIC/NSW border. The event saw some 103 shooters attend with great representation from NSW with 19 shooters competing.

Our NSW APA team consisted of Mick W (The Trapper) from Cowra who finished 3rd outright, and Kathy L (Kitty Pearl) from Namoi PC who was the 6th fastest female shooter. Congratulations to both for representing NSW and achieving some great results.

I would encourage all single action shooters to try and attend competitions. Attending competitions it is the best way to get faster and learn. Many competition events also include lots of fun side matches such as long range, speed 24 December 2024

events, 22 events, derringer matches and the like and are a tonne of fun.

Single Action match - Timer Operators/Range Officers

Play a vital role in safely assisting a shooter through a stage and are within arm's reach of the shooter at any time. There are 2 levels of Range Safety Officer qualification – RO level 1 provides skills to RO's to safely and consistently run a shooter through a stage. The RO level 2 course offers a more detailed safety course covering match and stage design, and an RO level 2 qualification is required to be a range/timer operator at larger competitions. Training courses are held at many of the large events across the year and refresher courses are required to be completed every 2 years to maintain the RO accreditation. I would certainly encourage every club to have several RO1 (minimum) qualified people to enable single action matches to be conducted safely and in line with the SASS international rule book, as required by NSW FAR for range licencing. The rule book can be found at: www.sassnet.com/the-shooting/cowboy-action-shooting/handbooks-rules.

For more information on Single Action shooting in both NSW and across Australia, check out the website <https://acas.today> which has a wealth of information and news, competition results, entry forms and links.

Cheers for now.

Competition News

Juniors' free entry to comps at CLDPC

Campbelltown Liverpool District Pistol Club will allow all juniors free entry to the next 3 Club matches in 2025.

First off is The Major Peter Badcoe VC memorial on the 23rd Feb, an individual and teams event .Followed by a CMPC event on the 17th/18th May 50M pistol championships and Standard and in June the inaugural Campbelltown Memorial event of Centrefire, Sports Pistol and Air (which hopes to be a sanctioned event) All Clubs juniors, All free entry!

CLDPC juniors have had their entry fees paid by the club in 2024 in an effort to support and promote their juniors and now to support the broader sporting community any junior competing at CLDPC for the first half of the year will compete for free in all matches .

The dates are 23rd Feb

17/18th May

June TBA

Hope to see as many juniors as possible at any or all.

Carl Zammit
Secretary CLDPC

ISSF NSWAPA STATE CHAMPIONSHIPS

4th to the 7th October brought us the ISSF State Championships hosted by the very small, but full of shooting passion, club known as Genesys Pistol & Target Shooting Club, based at the Sydney International Shooting Centre in Cecil Park.

I would like to take the time to thank, on behalf of NSWAPA, all the volunteers that made this event the success that it was. In my opinion these are the most important people in our sport as they work hard to make our competitions a success and without them our comps wouldn't happen.

Amazing people such as Cheryl Moore, tirelessly running a control room to make sure the matches run as smoothly as possible and scores are available at great speed.

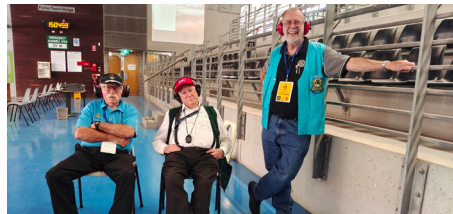

And who doesn't love a BBQ or a raffle? Can't have these without amazing people offering their time and smiles.

Then there is gun check, quite often ran by fellow shooters that squeeze it in between their own squadding.

As well as all the judges, jury and range staff that without the generosity of your time graciously given to this club and this event, it wouldn't have been able to happen.

Don't forget the organising Secretary!

There are so many more people and these roles are done by people that truly love our sport. Don't forget to let them know they are appreciated.
Dannielle Donohue

NSWAPA 2024 Black Powder State Championships held at Dubbo Pistol Club

On the weekend of the 8th to the 10th November 2024 Dubbo Pistol Club held their first Black Powder State Championships.

We would like to thank all those competitors who made the trip to Dubbo and those same people who assisted on and off the ranges. It is always a pleasure to have Cherie May and Cheryl Moore as judges and they are always only too happy to provide help and guidance in the score room.

It was great to see our 2024 50m National Champion Don Boundy and 25m National Champion Brian Subkey who was probably the last entry we had late on the Friday 8th attend the weekend too and keep everyone on their toes!

It was lovely to have 28 athletes enter and support our club and was great to see some new faces too. The 50m was squadded for a detail of 22 athletes and 25m was at range capacity. We had 23 athletes take part in the International: Adjustable Sight Revolver, Fixed Sight Revolver, Replica and Modern Single Shot matches.

Even though it was a warm weekend we provided free water on the ranges to the athletes just in case the heat did affect anyone.

We were honoured to have the Deputy Mayor of Dubbo Regional Council, Councillor Phillip Toynton to award the trophies and medals at the presentation on Sunday to the following:

50m Black Powder NSWAPA State Champion David Moore. Congratulations to John Ingold and Warren Johnson on their grade breaks

25m Black Powder NSWAPA State Champion Kerry Bell.

Black Powder International NSWAPA State Champions Don Boundy, David Moore, Les Moncrieff and Kerry Bell.

A big thank you to all those Dubbo PC members who came out on the weekend to give us a hand. Lovely to see so many new members interested in the weekends activities and a big thank you to all the lovely canteen staff. Thank you to our club member, Bob O'Keefe who brought out a wonderful display of some 1800 black powder pistols to show case to everyone on the Saturday.

More photos from the weekend can be found at: www.dubbopistol.club

Lara Cowling – Organising Secretary for the weekend

Competition News

Chinese Taipei ISSF Grand Prix 2024

This year I had the honour of being selected by Shooting Australia, to travel to the ISSF Grand Prix – Chinese Taipei 2024 along with fellow NSW athlete Alamdar Dastani and Victorian athlete Fiona Marcum.

Whilst I am not even close to the same elite level of the Australian team who have had the honour of traveling to World Cups this year in Rio, Baku and Munich. I used the opportunity to learn and experience what an international event of this calibre is like on the firing line.

While shooting alongside current and former Olympians like Sergei Evglevski, David Moore and Daniel Repacholi is not an uncommon occurrence for me, this is the first time I was on the line with international shooters who have won World Cup medals or shot at the 2024 Olympics in Paris.

The Range in Taipei is amazing facility with the 25M and 50M ranges and firearms armoury on the ground floor, 10M and Finals Range on level 2 and both airconditioned for athlete comfort. The top 2 floors are made up of a cafeteria, exercise physiology and meeting rooms with a dormitory and common rooms on the top floor for national team athletes to live in. Behind the range are the 3x shotgun layouts for ISSF Skeet and Trap.

The venue is truly catered for ISSF events and strict firearms laws prevent the athletes from leaving the facility with the guns, and to be stored under 24-hour security and surveillance. National squad members will train twice a day around their education or employment.

Official registration and unofficial training were on Saturday, with equipment control and checking firearms/ammunition into storage. Something new for the Australian team is having our .22 ammunition counted each time we enter/leave the ammo storage. Sunday was 10M Air and ISSF Trap Pre-Event Training, there were no rifle squad members for Australia.

The pistol events started Monday morning, with 10m Women's Air Pistol being shot first, with Fiona Marcum the only female athlete shooting pistol for Australia. With Chinese Taipei, Singapore and Japan making up the start list for the event. Qualification score of 565 needed to make the finals, with 578 the top score on the day for the ladies.

Next match was the Men's 10M Air Pistol event with Alamdar and me taking to the firing line, up against athletes from Chinese Taipei, Singapore, Japan and Kazakhstan. Qualification score of 563 needed for the finals, with a top score of 575 for the men.

Tuesday's pistol event highlight was the Mixed Teams, with Alamdar and Fiona both qualifying 4th for the bronze medal match, behind the young team from Singapore who shot well on the day taking out 3rd place in the finals. With some dramas on the day due to poor communication from the OC with schedule changes, both Fiona and Alamdar shot well in tough conditions.

This was the last event for Air Pistol, with Alamdar heading home on Tuesday night leaving both Fiona and me to shoot the remaining events of 25M Sport and 25M Rapid Fire.

The 25M Sport Pistol on Thursday and Friday, had athletes from Chinese Taipei, Singapore and Japan up against Fiona. With 4 of the top 8 ladies with a World Ranking within the top 40. After a shoot off in the finals, Fiona finished in 7th place only 1 point shy from making into the next round of eliminations. Top qualification scores for the finals started at 582, with the top 4 athletes shooting 580 or more in qualifications.

The final match of the week was 25M Rapid Fire with yours truly taking to the line against athletes from Japan and Chinese Taipei. Whilst numbers were down with only 5 athletes entered in the event and a finals position guaranteed, I still put in the effort on the day with tough conditions, hot and humid weather on the range and little air flow.

Understanding that I was up against athletes that were well above my skill level and abilities and had more experience in shooting finals, so I took it in my stride and had nothing to lose when on the line.

I can honestly say that my performance in qualifying was not my best result, I still managed to shoot my average score at my first international competition. However, I am very happy my finals result, shooting a personal best with 12 hits before being eliminated by Japan and after beating the local Chinese Taipei athlete.

Talking with the local athletes, they were very surprised how different Australia is compared to them. The Taipei athletes don't shoot Standard Pistol, Centrefire or 50M pistol events. With only Air Pistol, 25M Women's Sport and 25M Rapid Fire available to the local athletes from club to national team level. To progress to 25M events, the local athletes need to shoot several scores above 580 in Air Pistol before being allowed to shoot .22 pistols. This enforces the fundamentals on their athletes to learn trigger control, sights and match stamina.

Their firearms are stored in the armoury on range when not in use, with their .22 ammunition counted each time they sign out of the armoury and then each time they sign back in after shooting. With coaches, sports psychology and fitness programs designed for all athletes (club level to national team), it's no wonder that the Chinese Taipei athletes have so much success in shooting ISSF events.

This experience has given me motivation to keep training and work hard on my Rapid Fire and Air matches. Which brings up the question that has bothered me for some time... Where does someone in NSW find a suitable coach for ISSF events such as Rapid Fire?

It's something I have asked for a couple years now, with no straight answer from anyone, so who should I speak too to get the answers? Even our National Pistol Coach Vladimir Galiabovitch and the support staff at Shooting Australia can't answer this simple question.

So, what chance do our future champions and young athletes have if there is no clear guide as to who our coaches are and where to find them. Seeing what athletes overseas are doing and what they are shooting compared to Australia, it shows we have dropped the ball and there is no clear path for our youth to grow in the sport.

Regards
Brad Cronberger

Legislation Spotlight

Section 85 Law Enforcement (Powers and Responsibilities) Act 2002

I must begin by declaring that I am not a lawyer, and this article is not legal advice. In all circumstances, comply with law enforcement and seek your own independent legal advice. Please get in contact with NSWAPA as we may be able to assist.

Recently a member of the NSWAPA brought to my attention a particular section of the NSW Law Enforcement (Powers and Responsibilities) Act 2002, known as the LEPR Act, specifically section 85 which is copied below:

85 Powers that may be exercised on entry into premises

1. A police officer who enters a dwelling pursuant to a power conferred by or under this Part is to take only the action in the dwelling that is reasonably necessary—
 - (a) to investigate whether a domestic violence offence has been committed, and
 - (b) to render aid to any person who appears to be injured, and
 - (c) to exercise any lawful power to arrest a person, and
 - (d) to prevent the commission or further commission of a domestic violence offence.
2. A police officer who so enters a dwelling must inquire as to the presence of any firearms in the dwelling and, if informed that there is or are a firearm or firearms, must take all such action as is reasonably practicable to search for and to seize and detain the firearm or firearms
3. A police officer who so enters a dwelling is to remain in the dwelling only as long as is necessary to take the actions required or permitted by this Part. In summary, if police are called to your premises to investigate domestic violence and they enter your premises, they must ask for the presence of firearms, you must inform the officer of the presence of firearms, and they must seize them. If you fail to notify the officer of the presence of firearms, they may obtain a warrant to search and seize them anyway. This section of the LEPR Act requires that firearms be seized regardless of whether a crime has been committed. The seizure process does not in itself suspend your licence but other circumstances may result in a licence suspension as well. Your firearms will be taken back to your local police station, photographed and stored.

To have your firearms returned, you must write to the Police Area\District Commander and request your firearms be returned to you and justify your request. You must make this request within 28 days of your firearms being seized otherwise they may be forfeited to the Crown. The return of your firearms must be in line with section 212 of the LEPR Act.

NSW Police have a fact sheet available at https://www.police.nsw.gov.au/__data/assets/pdf_file/0005/732992/External_DV_Information_Sheet_Firearms.pdf

Club News

ULLADULLA PISTOL CLUB INC.

Hi all,

Just an all-round fantastic day for the members and for the club at today's double match ISSF competition that was very kindly supported by Gary Georgio from Safari Firearms, thank you for your continued support, Gary, it's very much appreciated.

An early start with members getting to the range not long after 7.00am and the range looked fantastic thanks to members efforts in the preceding days to mow and whipper snip all the ranges.

And as always thank you Adam.

A big thanks to Anna & Allan for cutting new target backings and for making all the targets.

Thank you to the members who donated lucky draw prizes.

A lot of prizes and a whole host of lucky member items were won by members today.

Thanks one and all for mucking in to make it just the great day it was.

Range 3 Squad

Range 2 Squad

Adam does such a FANTASTIC job of cooking and feeding club members at events!

Club News

Campbelltown Liverpool pistol club has had a busy year . Hosting annual club matches along with CMPC and sanctioned events .

In house activities have included ladies' days with many of the clubs lady members getting along for friendly competition and social gathering. With more planned next year

A new activity this year was hosting a cancer Council Biggest Morning Tea event with the club raising and donating just under \$1000. A great effort by club member Jodie Dobinson.

The club also welcomed 7 new Range offers into the fold , and another RO course planned for 2025 already.

As a first the club also pays their juniors entry into any sanctioned comps. It is their way of supporting juniors ,

BUT it hasn't stopped there

Campbelltown Liverpool District Pistol Club will allow all juniors free entry to the next 3 Club matches in 2025 First off is The Badcoe an individual and teams event, followed by a CMPC event on the 17th/18th May 50M pistol championships and Standard and in June the inaugural Campbelltown Memorial event of Centrefire, Sports Pistol and Air (which hopes to be a sanctioned event).

The club also includes a very active Collectors club with meetings every month some have included visits by re-enactment groups and include musket and cannon firing.

The club will be hosting another Girls on Target training day in February also .

Check out the club's website calendar for details on up and coming events if travelling through the area and looking for a stopover, visitors always welcome

Carl Zammit
Secretary CLDPC
